Dear Readers,

Warm greetings from the Rashtriya Raksha University!!!

Rashtriya Raksha University, a pioneering security, and police university with a mission to emerge as a premier center of knowledge for global and national stakeholders, seeks to contribute to India's vision of peaceful, prosperous and stable world order based on the rule of law. We at RRU are committed to identify, prepare, and sustain the statecraft of national strategic, security, and police culture through the continuous enhancement and development of educational, research, and training cadres from the security, police, and civilian societies. As part of our new vision and mission, we have initiated the establishment of 10 schools. Working proactively on a policy-oriented input mission, each of these schools is geared to offer the best learning, research, and training environments in a gradual manner.

My faculty, staff, and I invite you to apply for one of the courses outlined in our admission brochure and benefit from the university's principles and functioning in terms of academic excellence, an innovative and intuitive research culture, a wide range of extension and training programmes, and activities conducted around the year. With the recognition of RRU as an institution of national importance, the university has initiated a process of expanding the horizons of its academic and research courses and pool of faculty and resource persons from various parts of India and abroad. We will build strong international cooperation with universities and institutions to further strengthen our efforts to become an acclaimed institute of learning in security and police in the whole world.

With its 230 acres of campus and growing innovation, technology, and research culture, the RRU Lavad campus and infrastructure aim to offer the best opportunities to participants and students for their professional growth and advancement.

I Look forward to welcoming you and interacting with you this academic year at the Puducherry Campus, I remain.

FROM THE DESK OF THE REGISTRAR

About RRU Puducherry Campus

"Rashtriya Raksha University, has established a campus at the Pondicherry Institute of Hotel Management & Catering Technology [PIHMCT]."

The RRU Puducherry campus is situated in the main city and is 135 km from Chennai Airport. Puducherry is a tourist city and often referred to as India's little France. It still has its French flavour, as evidenced by grand colonial mansions, beautiful boulevards, and placid promenades; French spellings on sign boards and buildings; and the names of roads and public places.

The campus aims to set a benchmark in security education that blends the best of theory, practise, and innovation. The RRU Puducherry campus is fully equipped with top standard classrooms, modern technology, and equipment.

The courses are tailor-made according to the need and requirement for the police aspirants' youths of Puducherry with the intent of delivering world class teaching, training, and research through programs that include criminology, police administration, police science, fitness management, forensic and clinical psychology, cyber security, industrial and corporate security. The curriculum is designed for degree, diploma, and certificate programs. These courses inculcate the desirable skills and mindset in the police aspirants and other stakeholders who are willing to build their careers in the field of internal and national security. The campus will also emphasize inculcating high standards of patriotism, discipline, ethics, and moral values in the youth of the UT.

Graduates from the RRU Puducherry campus will be prepared for careers in the forces as officers, analysts, and strategists throughout the government agencies, the national security apparatus, and the private sectors.

The teaching and training shall be provided by experts who are competent, dedicated, and highly qualified in their respective fields with the vision of transforming the students into employable individuals and ready to be absorbed into the security forces and private sectors in the region of Puducherry, Karaikal, Mahe, and Yanam as well as Tamil Nadu, Kerala, Andhra Pradesh, Karnataka, and Telangana.
